

\$1000 REWARD

Tiny Toy Australian Shepherd

One Blue Eye, One Brown Eye, No Tail

Last seen November 25th in Cascade Locks, OR.,

Trigger was seen with a clean shaven homeless man in his early to mid-forties with blondish-brown hair.

He was wearing a green army jacket and a baseball cap.

He could be hitchhiking anywhere. It is not common to see a homeless or transient person with a tiny dog. **Please help us find Trigger!** He *is* microchipped to Indigo Rescue.

This is Trigger's dad. NOT the homeless person.
